

Marinduque International Cup
Day 2: Friday August 10th, 2007
Marriott Hotel 7-11pm

Dear Chapter Presidents,

Please present this event and the guidelines to the rest of your members regarding this new and exciting event for everyone this year!

The Marinduque International Cup will consist of a friendly competition between each of the chapters. Each chapter will present a skit to compete for the 1st annual MI cup. By having this event, we hope to promote *Marinduque spirit, pride and unity*. Also, we hope to encourage fellowship within the chapters by allowing them to spend time with each other and work on the skit together. The chapter who wins 'Best Overall' will receive the trophy. In hopes of making this a tradition, the trophy cup will be passed along at the next biennial reunion to the new champions and so on.

Guidelines of Presentation:

The presentation is to be created prior to coming to the reunion in each of the chapters cities. Each chapter's goal is to **create a simple presentation about your favorite pastime in Marinduque**. They can involve acting, singing, dancing, music or any special talents. Make it funny to make your fellow Marinduquenos laugh out loud rolling on the floor or reminiscent to make them remember their wonderful times in the homeland. Do whatever your hearts content! Presentations only have to be 5-10 minutes long. Use your creativity. Remember, the main goal is to have fun with it!

Awards will be given to:

Best Overall
Most Creative
Best Technical
Most Spirited

We look forward to seeing your presentations!
